

Mac-in-Awe MUG (MIAMUG) Welcomes Macintosh Users!

www.miamug.com

Demonstrations and discussions of the latest and most popular software and hardware take place at every meeting. Learn tips from both pros and novices. All are welcome!

Membership benefits include the following:

- Year-around monthly meetings, where you may bring your questions on anything to do with Macintosh computers, peripherals, software, and iPod music players. During the Q&A Session, also may discuss news about computers and their uses, including the Internet.
- Demonstrations of software and hardware, both new and established, using the Club's projection equipment
- Monthly newsletter, Mouse Tales, in .pdf format
- Access to MIAMUG's online Forum to get Club news, tips to read, and to post a question to get input from other members, etc.
- Access to help with your problems through our network of members who can steer you to the right answers to a sticky problem or a routine question.
- Membership in our Digital Imaging Special Interest Group about digital photography/digital imaging
- Access to our lending library of instructional CD/DVDs.
- Guests are invited to attend two club meetings before joining.
- Membership dues are \$35.00 per family for one year, or \$20.00 per individual student, prorated through April 1 for new members. See our web site for pro-rated dues table.
